

# Lifting Up Quality in Early Learning

Child360 supports quality early learning, from every angle. We work with providers to lift up their program, their educators and their families through a holistic approach to coaching and training.

For well over a decade, Child360 has helped  
**over 900 early learning providers**  
improve the quality of their program, giving  
**nearly 200,000 children**  
the best start in school, and life.

# A Leader in Program Quality Assessments

An indicator of quality is knowing your program is assessed and rated. At Child360, quality begins with the industry's leading assessment tools. Child360 has conducted over 6,000 quality assessments, to date:

- Early Childhood Environment Rating Scale (ECERS-R)
- Infant/Toddler Environment Rating Scale (ITERS-R)
- Family Child Care Environment Rating Scale (FCCERS-R)
- Infant CLASS
- Toddler CLASS
- Pre-K CLASS
- Program Administration Scale (PAS)
- Business Administration Scale (BAS)

Evaluation and data support now available!  
Child360 has over 10 years' experience collecting data for required reporting and designing studies to measure quality improvement.

## A Seasoned Team Offering Customized Trainings

Your program is unique, just like the children you serve. Child360 offers tailored trainings for your program, including topics such as:

- Quality Rating & Improvement Systems
- Quality assessment tools
- Developmental assessment tools
- Behavior management
- Classroom interaction
- Family engagement
- Self-care and wellness
- Cultural competency
- STEAM
- Leadership and Teacher Institutes (3-day series)

"With Child360's coaching and training support, our CLASS scores increased from pre-assessment to post assessment, and we passed our audit with flying colors!"

– Telma Ruiz Bayona, Director of Early Childhood Education,  
Compton USD

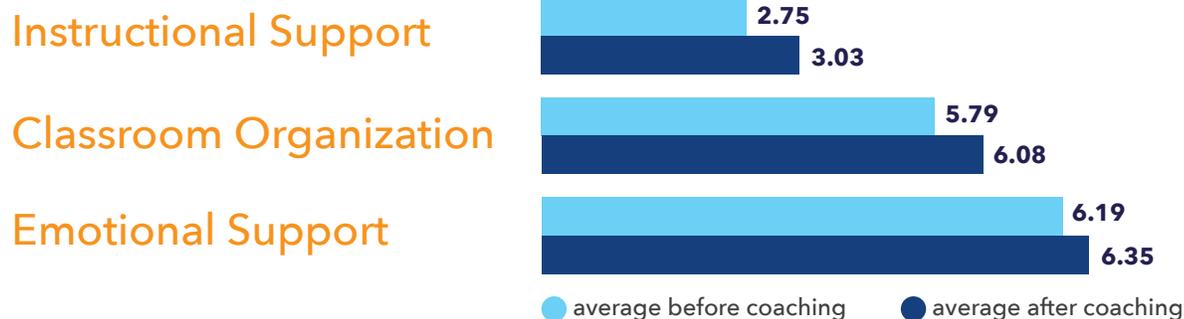

# A Pioneer with its Unique and Proven Coaching Model

Your strengths are what differentiates you, and it is important to nurture these. Child360 takes a research and strengths-based approach to motivate educators and administrators to build upon their skill set and reach their program's goals. Working alongside providers, we offer coaching to support quality improvement from multiple angles:

- One-on-one coaching for directors and staff
- New program development and classroom start-up
- Family support and engagement
- Professional development
- Professional growth
- Evaluation and data support
- Business services including financial and child data management support
