Early Head Start Registered Dietician Consultant
CALL FOR BID/PROPOSAL FOR 2018-2019

Child360 Early Head Start program provides health services and works with child care and family care partners with their CACFP programs. Early Head Start serves infants and toddlers and their families. Child 360 is accepting bids/proposals for Registered Dietician Consultant to provide the following:

- Services from June 1,2019 – August 31, 2019
- Contract requires provisions of service to 102 children between 18 to 36 months
- Part-time weekly hours

Qualifications include:

- Registered Dietician (Certified by the Commission of Dietetic Registration)
- Fingerprint clearance through Department of Justice
- TB Clearance and evidence of Tdap, MMR, and Influenza vaccination
- Bilingual required (English and Spanish)

Services to be provided include:

- Review completed nutrition screening forms and complete nutrition assessment for children enrolled and identified with nutritional concerns
- Provide follow-up and education for all children with identified nutrition concerns.
- Help parents better understand nutrition issues through parent trainings.
- Provide nutrition education to staff and teachers.
- Assist the program in identifying and utilizing community nutrition resources.
- Provide assistance with ongoing tracking and documentation.
- Data entry and analysis
- Perform other duties in compliance with Head Start Performance Standards

Interested Candidates must submit the following:

- Curriculum Vitae
- Proposal with scope of work and fee outlined
- Copy of license

Please submit you bid/proposal no later than May 20, 2019:
