The many moments of our forward movement
to provide all children with the chance to thrive.

2018 Child360 Annual Report

Opened new doors

Child360 opened a state-of-the-art training facility for early educators in our Downtown Offices. A tremendous thank-you to the Child360 Board for raising the capital so more educators can advance professionally.

Reached more programs

Through our work with Quality Start Los Angeles, Child360 helped over 600 early learning programs with training, coaching, assessment and career advisement.

Made new friends

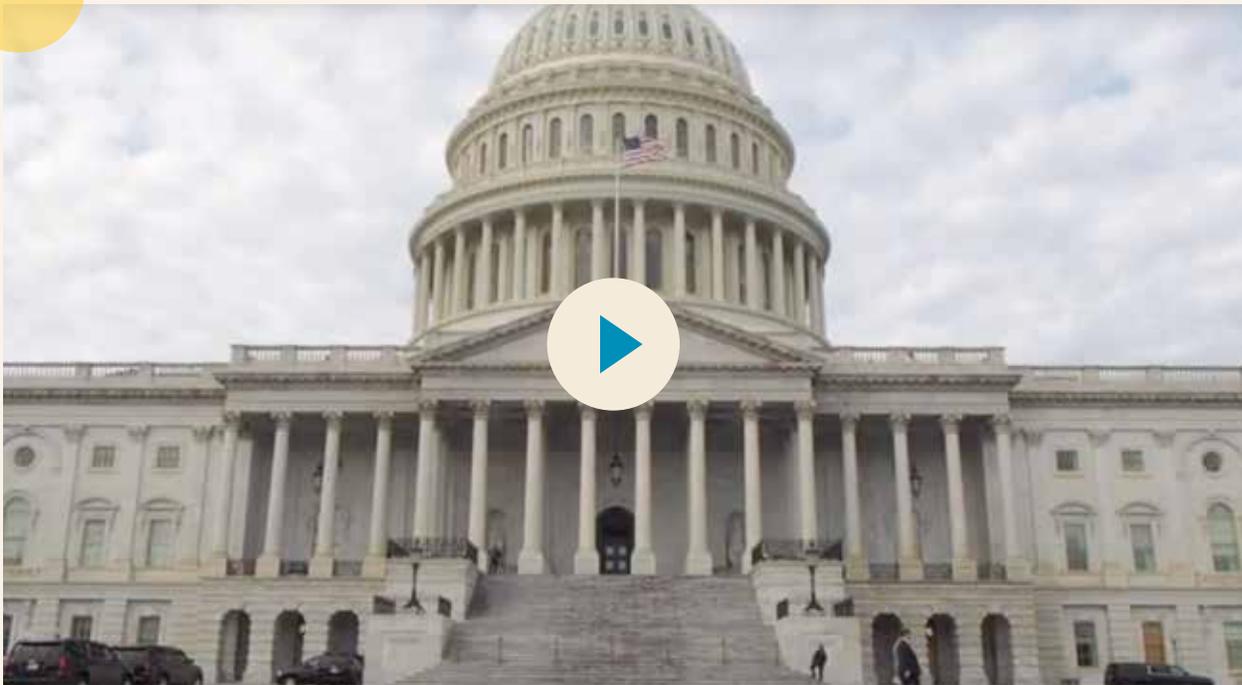

Expanded our work to six counties across Southern California including Riverside, Orange, Imperial, San Bernardino, San Diego and Los Angeles.

Joined forces to let our voice be heard

Child360 launched an e-platform to engage parent and community advocates. We carried support signs during rallies at the state and nation's Capitols, joined fellow advocates in childcare chants, and held countless meetings with elected officials to fight for early learning opportunities and investments to advance the early learning workforce.

Drove the conversation forward

Child360 launched an e-platform to engage parent and community advocates. Evaluated programs

Child360's Research & Evaluation team forged ahead with our first external contract as Lead Evaluator for a longitudinal literacy outcome study with Heluna Health (WIC).

Strengthened communities

We worked shoulder-to-shoulder with residents, partners, local business, and government institutions to strengthen their village. We impacted South LA, Southeast LA, Northeast Valley and the Antelope Valley via our work with First 5 LA's Best Start communities.
